

Special program for 34th annual meeting at Tsukuba, test ride event of “Segway”

—Let’s ride on Segway during Tsukuba annual meeting—

Tsukuba is the only city designated as “mobility robot experimental area” in Japan where traveling on robot on public roads are permitted. Come and join us to test drive a “Segway” in a park near the International Conference Center as a special program for 34th annual meeting at Tsukuba.

If you are interested, please make a reservation at the meeting reception. Please read the Segway Conditions and Cancellation Policy carefully before making a reservation.
